Gone, but not

A dark, weathered gravestone with a pointed top and a decorative carving of a bird or angel at the top. The stone is set on a wide, light-colored base. The inscription is in raised, serif capital letters. The surrounding area is overgrown with tall grass and weeds. Other gravestones are visible in the background, including a dark, rounded one and a tilted one to the left.

A close-up photograph of a dark, textured surface, likely asphalt or a similar material. The surface has a mottled appearance with various shades of grey and black. A small, green, blade-like plant is growing out of a crack in the center of the frame. The plant is thin and has a yellowish tip. The overall image is somewhat blurry and has a grainy texture.
